

What benefits do we offer our retail store customers?

As the top searched brand of horse bedding on the market, [Guardian Horse Bedding™](http://www.guardianhorsebedding.com) offers great market exposure for our chain and independent dealer customers.

www.guardianhorsebedding.com has ranked #1 on Google under the search term “horse bedding” for over 7 years!

We are consistently #1 or page 1 on all other major search engines.

Our “where to buy” page on the website receives thousands of hits every month.

This means new customers for your store!

Why Guardian Horse Bedding™?

- **In stock for fast turnaround:** We have the capacity to produce over 8 million bags per year of our premium horse bedding products.
- **Multiple U.S. plants** to reduce transportation costs
- **We produce and package only premium grade pine shavings and pellets**—this eliminates customer complaints and returns.
- **Great brand name recognition** with the top searched website under “horse bedding” on most major search engines.
- **Ease of storage.** All products are palletized, wrapped and capped to withstand outside storage
- **All Guardian packaging is consumer friendly.** Ease of handling and storage.
- **Mixed loads of most products are available based on your location.**

We also offer private labeling options for our larger retail customers.
